CORRIGENDUM # 1 dated 29.11.2019

No. B&T/BWTS/SUPPLY FOR TANKERS/2019 (RFx No. 9000024684)

Due Date: 4.12.2019, 1700 Hrs

SUB: E-TENDER FOR SUPPLY & COMMISSIONING OF BWTS UNITS

The following corrigendum to the above Tender has been issued for the notice of the bidders:

1. Part – I, Section – V, Scope of Work, Clause k: Added **“The equipment/ material to be supplied on CIF (Incoterms 2010) basis to the nearest port where the vessel is to be dry-docked”** in the end of the clause.
2. Part – I, Section – VI, Duties and Responsibilities: A new clause **“r)The equipment/ material to be supplied on CIF (Incoterms 2010) basis to the nearest port where the vessel is to be dry-docked”** is added.
3. Part – I, Section – III, Clause 17: The last sentence is amended as **“The Corporation will be at liberty to obtain the supply,service and commissioning of BWTS units from alternative sources at the risk and cost of the contractor.”**
4. Part – I, Section – V, Scope of Work, Clause n: The clause is amended as **“The bidder will warrant for five years after commissioning, testing and acceptance on board of the BWTS unit (including necessary spares), satisfactory operation for five years or 5 years 6 months from the date of delivery of BWTS equipment to yard whichever is earlier.**
5. Part – I, Section – V, Scope of Work, Clause k: Pipelines and supports are not in the scope of supply of the bidders. However, the bidders must furnish the spool drawings of all pipelines and supports 3 months prior to the scheduled dry-docking of the vessels.

The clause is changed as follows

“Supply of equipment / material as per approved/production drawings for modification (BWTS units, ballast water pumps, filters, remote operated valves, manual operated valves, cables, switch gear for MSB, etc) other than pipe / equipment supports & sea chest modification.”

6. Part – I, Section – VI, Duties and Responsibilities, Clause 4 a) is amended as follows:

“BWTs units, ballast water pumps, filters, remote operated valves, manual operated valves, cables, switch gear for MSB etc as required as per the approved plans.”

7. Part – I, Section – V, Scope of Work, New Clause “r” is added: **“The BWTS shall be provided with two display control units, Master unit in CCR and slave in ECR along with local control unit.”**
8. Part – I, Section – V, Scope of Work, New Clause “s” added: **“The BWTS configuration shall be 2 pumps, 2 units of 750 m3/hr each and 1 filter.”**
9. Part – I, Section – V, Scope of Work, New Clause “t” added: **“The remote valves are to be electro-hydraulic/ electric self-contained type”.**
10. Part – I, Section – III, Added new Clause (24.7): **“The format of bank guarantee for security deposit and performance guarantee format are attached.”**
11. Revised **Price Bid Format** is attached.
12. Part – I, Section – VI, Duties and Responsibilities, New clause “s” added: **The transportation from nearest port to yard will be SCI’s responsibility, bidder needs to insure the equipment/ material till delivery to the vessel.”**
13. Part – I, Section – V, Clause “b” added a new sentence in the end: **“The bidders must carefully consider the space constraints in installing the BWTS equipment in ER.”**
14. Part – I, Section – V, **Proposed Makers List for Pumps, Remote Controlled Valves (Self-contained operating units), Manual Valves, Switchgear and Cables as follows:**

Makes	Centrifugal Pumps	Remote controlled valves	Manual Valves	Cables	Switchgear
