H K Joshi conferred with “The Maritime Standard Personality of the Year 2021”

Cont'd. from Pg. 3

Mrs. Joshi has close to four decades of corporate experience and over six years of Board level experience in the Maritime sector. Heading as Chairperson of The Shipping Corporation of India, one of the Region's Biggest Shipping companies, she is also on the Board of 8 other companies related to the industry. At the onset of Covid outbreak in 2020, she instituted business continuity and ship outbreak plans, ensuring uninterrupted operations. As a result, SCI not only sustained its operations but excelled, something that is obvious from the company's financial and commercial performance in 2020 and 2021, notable for breaking some decade old records.

The 8th Annual Maritime Standard Awards raised the bar higher still for events of this type as it provided an outstanding, high-profile showcase for individual and organizational excellence in the Shipping, Ports and Maritime industry sectors.
