## Notes:

1. The above results have been reviewed and recommended by the Audit Committee and approved by the Board of Directors in its meeting held on 8th November 2012.
2. The statutory auditors have carried out a limited review of the results for the half year ended $30^{\text {th }}$ September, 2012
3. Segment Results:
a. Segment definitions: Liner segment includes breakbulk and container transport. Bulk segment includes tankers (both crude and product), dry bulk carriers, gas carriers and phosphoric acid carriers. Others include offshore vessels, passenger vessels and services and ships managed on behalf of other organisations. Unallocable items and interest income/expenses are disclosed separately.
b. All assets/liabilities and revenue items are allocated vessel wise wherever possible. Assets/liabilities and revenue items that cannot be allocated vessel wise are allocated on the basis of unit cum GRT method i.e. $50 \%$ allocated on the basis of units \& balance $50 \%$ on the basis of adjusted GRT. For vessels, which are bigger than 20000 GRT, GRT is adjusted to one third of GRT or 20000 GRT, whichever is more.
c. The components of capital employed that cannot be directly identified are allocated on the basis of GRT method.
4. The details of foreign exchange loss/gain for the period is as under:

|  | Capitalised to cost of <br> vessels | Charged to interest <br> expense in accordance <br> with ASI 10 to AS - 16 <br> "Borrowing cost" | Included in "Other <br> expenditure"/"Other <br> income" |
| :--- | ---: | ---: | ---: |
| For the quarter ended <br> $30^{\text {th }}$ September 2012 | 46020 lakhs (gain) | 7614 lakhs (gain) | 8770 lakhs (loss) |
| For the quarter ended <br> $30^{\text {th }}$ June, 2012 | 55829 lakhs (loss) | 7614 lakhs (loss) | 5079 lakhs (gain) |
| For the half year ended <br> $30^{\text {th }}$ September, 2012 | 9809 (loss) |  | NIL |
| For the half year ended <br> $30^{\text {th }}$ September, 2011 | 30806 lakhs (loss) | 13099 lakhs (loss) | 9691 lakhs (loss) |
| For the year ended 31 <br> March 2012 | 37664 lakhs (loss) | 29673 lakhs (loss) | 13444 lakhs (gain) |

5. Ministry of Corporate Affairs, Government of India through Circular no. dated August 09, 2012 has clarified that para 6 of Accounting Standard (AS) 11 and para 4 (e) of AS 16 shall not apply to a Company which is applying para 46-A of AS 11. Consequently, exchange differences, arising on settlement/translation of foreign currency loans to the extent regarded as an adjustment to interest costs as per para 4 (e) of AS 16 and charged to statement of Profit and Loss, have now been adjusted in the cost of related assets. As a result, profit for the half-year ended September 30, 2012 \& Fixed Assets as on September 30, 2012 is higher by Rs. 28405 lakh and depreciation is higher by Rs. 1274 lakh. The profit for the quarter ended September 30, 2012 is higher by Rs. 36019 lakh.
6. During the quarter ended $30^{\text {th }}$ September, 2012, the Company took delivery of one AHTSV M.V SCl Ahimsa DWT 2005 \& one PSV M.V. SCI Nalanda DWT 2633 and two Bulk Carriers M.V. Vishva Anand \& M V Vishva Vinay of DWT 44007 each.
7. During the quarter ended $30^{\text {th }}$ September, 2012, the Company sold two Crude Oil Carriers M.T. Maharshi Karve DWT 66644 \& MT C V Raman DWT 40329
8. The statutory auditors in their limited review report for the half year ended 30th September 2012 have brought out that; "reconciliation of customers' accounts/advance received from customers resulted in prior period income of Rs. 103.61 crore booked under various heads of income which remains unverified in absence of confirmation from customers/agents and its consequent impact on foreign exchange gain/loss remains unascertainable. Further, impact of foreign exchange gain/loss on reconciliation of customers' accounts as per Accounting Standard 11 remains unascertainable."

In respect of the above it is stated that;
SCI has gone live with a new IT system from the year 2011-12. During the transition period, there were initial difficulties in recording of freight in the new system. As a result of the reconciliation process taken up, additional invoicing was done which led to the recognition of income for the prior period of ₹ 10361 lakhs taking into account the exchange rate on the date of posting. As the system picks up the current exchange rates, the impact of the foreign exchange gain/loss is difficult to ascertain. The process of obtaining confirmation of the additional income from customer/agent is in progress.
9. The figures of the previous year/ period have been regrouped or rearranged wherever necessary / practicable to conform to current year / period's transactions.
