E-Tender for commercial vehicles on hire to SCI Sri Vijaya Puram (Port Blair) – 2025

BANNING GUIDELINES

Policy and Guidelines for Removal / Suspension / Banning of Entities

1.0 Introduction.

The Shipping Corporation of India Ltd. (SCI), a premier commercial organisation, is committed to maintaining ethics of the highest standard and adopts best industry practices in all its activities. During the course of business, SCI transacts with various firms and companies in their capacity as bidders / vendors / contractors/ agents, hereinafter, referred to as the 'Entity'. SCI considers all its business dealings as a relationship and no relationship can be built on deceit or unethical conduct. SCI in all its business dealings endeavours to maintain fairness, transparency and it is expected that the other party to the deal will also uphold similar code of conduct.

This guideline on banning unscrupulous elements / parties is being adopted to weed out corrupt practices and their recurrence from the system.

Since banning of business dealings involves civil consequences for an Entity concerned, it is incumbent that adequate opportunity of hearing is provided and the explanation, if tendered, is considered before passing any order in this regard keeping in view the facts and circumstances of the case. Accordingly, during the proceedings as laid down in this document, the party / parties would be provided with ample opportunity to tender their explanations along with documentary evidence to present their case which would be duly considered based on the principles of natural justice. The banning guidelines are not applicable for poor performance or any inadvertent or unintentional lapse on part of the party.

The decision of banning any business dealings would be taken only after it is established beyond doubt that the party has committed an act of deception, fraud or other misconduct in the tendering process or in the execution of contracts awarded / orders issued to them.

2.0 Scope:

- 2.1 SCI reserves its rights to remove an entity from its list of approved suppliers / contractors or to ban business dealings and also to suspend business dealings pending investigation if that entity has been found to have committed misconduct.
- 2.2 The guiding principles and processes for
 - (i) Removal of an Entity from the list of approved suppliers / contractors
 - (ii) Suspension and
 - (iii) Banning of an entity from doing business with the Corporation, for a specified period, are laid down herein.
- 2.3 These guidelines apply to all firms / bidders / vendors / contractors / agents, etc. including those on approved panels, who have or are expected to have business dealings with SCI, and

shall extend to all units, offices, establishments, subsidiaries and vessels of the SCI including those which get set up in future.

2.4 It is clarified that any decision of the Management to not entertain any particular entity due to its poor /inadequate performance or for any other reason is outside the purview of these guidelines.

2.5 Without prejudice to the claims and rights of SCI in relation to subsisting arrangements, action under these guidelines would take effect prospectively.

3.0 Definitions:

In these Guidelines, unless the context otherwise requires:

i. The Expression ‘Party / Contractor / Supplier / Purchaser / Customer / Bidder / Vendor / Entity’ includes a company incorporated in law, a firm (whether registered or not), an individual, HUF, a co-operative society or an association or a group of persons engaged in or expected to be engaged in business dealings with SCI.

ii. ‘Inter-connected Entity’ shall mean two or more companies having any of the following features:

a. If any or all of the Partner(s) / Functional Director(s) are common,

b. If the Management is common,

c. If the entity is controlled or is otherwise subservient to an entity against which action under these guidelines is taken or contemplated.

iii. ‘Competent Authority’ and ‘Appellate Authority’ shall mean the following:

a. For banning any Entity, Indian or foreign, the “Competent Authority” would be a “Committee of Directors” comprising of the Director of the Division awarding the contract, Director (Finance) and the Director/s of the concerned Operations Divisions.

b. The Chairman & Managing Director, SCI, shall be the ‘Appellate Authority’ in respect of such cases.

In case the original contract has been approved by the Chairman, then, for banning of the party, the competent authority would include the Chairman & Managing Director, Director (Finance) and Directors of the concerned operating divisions. In such a case an Appellate Authority would be the SCI Board of Directors or a committee formed by the Board for the purpose.

For contracts where Board approval is mandatory for award, the Board or nominees of the Board would constitute the competent authority. In such cases any appeal would also lie with the Board. Banning proposals initiated by the SCI branch offices would be heard by the same authorities as mentioned at 3.0 iii (a) and 3.0 iii (b) above, and would have a company-wide effect, unless otherwise specified by the Competent Authority.

iv. ‘Investigating Department’ shall mean any department / division / office of SCI investigating into the conduct of the Entity and shall include the Vigilance Department, “Central Bureau of Investigation, the State Police or any other authority or entity set up by the Central or State Government having powers to investigate”.

- v. List of ‘Approved Entities’ – shall mean and include list of approved Parties / Contractors / Suppliers / Purchases / Customers / Bidder / Vendor / Agents’, if registered / contracted with SCI.

The User / Reporting Division to provide all relevant facts / material to the contract initiating Department / Division which will present it to the aforementioned Committee. The Committee so formed will study the case and then submit its recommendations to the Competent Authority to decide on banning the Entity from all dealings with SCI. The Competent Authority would comprise of Director of the Division awarding the contract, Director(Finance) and Director of the concerned Operating Division. C&MD would be the Appellate Authority.

6.0 Suspension of Business Dealings during Investigation period:

The Vigilance Department will be informed as well, and the Chief Vigilance Officer can send his recommendations to the Competent Authority based on the same.
- 6.2 The Competent Authority may consider whether the allegations (under investigation) are of a serious nature and whether, pending investigation, it would be advisable to continue business dealings with the Entity. If the Competent Authority, after consideration of the matter, including the recommendations of the Investigating Department (if any), decides that it would not be in the interests of the Corporation to continue business dealings pending investigation, it may decide in favour of suspending business dealings with the Entity. The report of the Competent Authority must be submitted to the CMD, SCI, within 21 days from the receipt of the reference by the concerned Divisional Director and within the effective date of suspension.

- 6.5 The order of suspension shall be communicated to all Departments / Divisions / branch offices of SCI. During the period of suspension, no business dealing may be held with the Entity.
- 6.6 As far as possible, other existing contract(s) with the Entity may continue, unless the Competent Authority, having regard to the circumstances of the case, decides otherwise.

- 8.2 The effect of such an order would be that the Entity would not be disqualified from competing in Open Tender Enquiries, but would not be considered for limited tender enquiries.
- 8.3 Past performance of the Entity may be taken into account while processing for approval of the Competent Authority for awarding the contract.

9.0 Show-cause Notice:

- 9.1 In case where the Competent Authority decides that action against an Entity is called for, a show-cause notice has to be issued to the Entity. - 9.4 The period for which the ban would be operative may be mentioned in the order. It should also state explicitly that the ban would extend to the Inter-connected Entities.

The Competent Authority may refer the same petition to the Standing Committee for examination and recommendation.

- 12.1 The banning order will be issued to the Entity by the concerned contracting Divisional Director. It will also be circulated to all the Divisions and branch offices of the Corporation and the names of the banned entities will be posted on the SCI website.

$$B2 = (\text{Rate per K.M. (X2)} \times 1000 + \text{Rate per Hour (Y2)} \times 100) / 2$$

$$B3 = (\text{Rate per K.M. (X3)} \times 2000 + \text{Rate per Hour (Y3)} \times 200) / 2$$
