112	Note: It is the workshop's responsibility/obligation to inform IN WRITTEN to the SCI superintendent WHENEVER the total cost of particular job based on unit tariff rates exceeds – Rs 1 Lac; for the review of superintendents as regards to feasibility of cost and time and for continuing the job further written permission to be obtained from superintendent.			
113	PLEASE NOTE ALL ALLOWANCES STATED BELOW ARE FIXED BY SCI. WHILE QUOTING THE JOB COST YOU ARE REQUESTED TO MAKE NOTE OF THIS. (Ref. Summary of SCI fixed allowances for more details)			

1.00	<p><u>Normal Shift , Over Time, Holidays:</u> All labour rates and Engineer / Technician rates, unless otherwise specifically mentioned, are for 8 hrs. normal shift / per day. Normal Shift : from 0900 hrs to 1700 hrs (Monday to Saturday). 1/2 Shift is payable for - 4 hours or less Full shift is payable for - more than 4 hours and upto 8 hours.</p> <p><u>Holidays:</u> Sundays, National Holidays & May 1st .</p> <p><u>Overtime allowance</u> shall be paid [unless otherwise specifically mentioned in the rate schedule] on basic labour cost of jobs only and at 25% on pro-rata basis beyond normal working hours (pls note no allowance over allowance). Note:The workshop must not delay in reporting to the vessel for the sake of accumulating O.T Hours. The O.T allowances (if approved) are subject to scrutiny from the consideration of attempted delayed reporting to the vessel amongst other issues. The time, readiness given by vessel's Master/ship staff or office(user division) for carrying out the specific work entrusted with the concerned workshop shall be distinctly written and endorsed by ship staff in the time sheet and certified by the superintendent, which should be produced during submission of invoice.</p> <p>In applying O.T allowance the "break-up of cost" in case of jobs consisting of labour + material is to be considered as below:</p>
	for Woodwork– 65% labour cost + 35% material cost
	for Upholstery– 40% labour cost + 60% material cost
	for Steel renewal/Steel fabrication – 50% labour cost + 50% material cost
	for Pipe line & Flanges renewal– 35% labour cost + 65% material cost
	for Insulation renewal and other jobs in this category – 45% labour cost , 55% material cost
	for rewinding of motors and other equipments - 40% Labour + 60% Material

G	Budgebudge/ Kulpi/ Diamond harbour -15%
H	In any other locations an anchorage allowance of 15%
	<u>Note:</u> During a single call of vessel remaining partly alongside and partly on moorings, stream allowance shall be applied on proportionate basis for the respective stay.
3.00	<p><u>Outstation allowance</u> for jobs attended at ports other than base port. The outstation allowance of 25% would be applicable only on labour component of "basic cost of job"(i.e allowance over allowance is not allowed).This allowance is incentive for attending job at outstation.-if not otherwise mentioned in the tariff</p>
	<p><u>Transportation cost & entitlement:</u> For Engineer/Supervisor-2AC Train fare/Bus Fare/Economy class air fare. For Others - Non-AC Sleeper Class train fare/Bus fare</p> <p>For attending outstation jobs expenses towards transportation of men and material (to & fro),wages for manpower <u>during travel time</u> will be applicable, -one normal shift charges per day per person (if travelled by train/bus i.e by road) -on hourly (pro-rata) basis for engineers/supervisors if travelled by air -plus reasonable food charges during travel time & stay time (max Rs.500 per person per day) - lodging charges if personnel stayed at hotel (in case accommodation not available on board ship and certification in this regard by Master of vessel is required) would be payable seperatly. For <u>lodging plus boarding per day per person :</u> -for engineers and supervisors Rs.2500/- -for skilled workers and labour. Rs.1000/-</p> <p><u>Miscellaneous Expenses at Outstation:</u> Towards Custom clearance, port clearance, road taxes and other misc.expenses for out port jobs will be paid lumpsum Rs.6000/-per round trip/per port call of vessel.For transporting men & material between hotel and ship at outstation (unless otherwise seperately mentioned in the tariff) Rs.600 per day/per round trip is admissible.</p>

4.00	For procuring and supplying (onboard vessel) of material (non-tariff) used in the course of repairs 15% allowance will be payable on cost of materials only. (Cash memos/ invoices in line with GST provisions are to be submitted for items/total costing more than Rs. 2500)
5.00	An allowance of 10% will be payable for mutually agreed sub-contracted services excluding materials (ON APPROVAL OF CONCERNED USER DIVISION OF SCI) as percentage over the actual sub-contracted price.
6.00	At Base port only-INCIDENTAL EXPENSES, ANY OTHER MISC. EXPENSES, CUSTOM CLEARANCE ETC. IS PAYABLE AT 10% OF TOTAL BASIC LABOUR COST. Minimum of Rs. 1500/-.
7.00	SCI service boats to be utilized as far as possible. Whenever, SCI Service boats are not available and workshop arranges his boats service to attend the job on instruction of Superintendent of the vessel, cost approval to be taken by the concerned supdt. Such arrangement of boat services has to be certified by Vessel's master and superintendent and will be paid at (approved) actuals.
8.00	For any 'in-between' capacity/size equipment, rates shall be pro-rated from the rate of immediately succeeding/preceding rating(capacity) , which ever is Lower. Decision of SCI in this regard would be final and binding.
9.00	Workshop must submit bill within 30 calendar days from the date of completion of work.
10.00	Payment terms
	within 90 days (subject to change as per SCI's adopted guidelines/govt. guidelines) from the date of receipt of bill in SCI office with all the required documents and without any discrepancies . The tariff rates offered for 2 years with six months extension if required by SCI. The tariff rates will remain fixed during the entire contract period irrespective of any variation in labour cost, material cost and various taxes.
END
