

MESSAGE FROM CMD

Dear Stakeholders,

Trust all of you are safe.

SCI, as a responsible Corporate, has dedicated itself to the Jan Andolan Campaign on COVID 19 launched by our Hon'ble Prime Minister of India, last month. We at SCI have pledged ourselves to be vigilant of the risks to ourselves and our colleagues, take precautions to prevent the spread of the virus, known to be fatal, and 'follow appropriate behavior in the New Normal' to resist and combat the infection.

The low cost and high-intensity Campaign seeking people's participation emphasizes on "Unlock with Precautions" is a concerted effort by the Government to reach out to all citizens, the success of which depends on how effectively the spread of the Virus is prevented. While the key messages are 'Wearing a mask, Follow physical distancing, Maintaining hand hygiene', it is imperative for us, as citizens, particularly now, to understand and imbibe the intent and spirit of the collective resolve of the Government, and adhere to it diligently and scrupulously without any exception and which does not stop at these instructions alone. I am sure, we all, as citizens, have enough wisdom to foresee the pitfalls of even an unintentional minor mishap, that can compromise the health of all whom we contact with and sets in motion the cascading vicious cycle. I therefore seek your active involvement in this campaign to ensure sustenance of its momentum for prevention of the pandemic taking due note of critical times.

As responsible citizens,

Let us resolve to stay safe and create a safe environment.

Best Regards,

Mrs. H. K. Joshi
Chairperson & Managing Director &
Director (Finance) (A.C.)
